**from \$2,677.50**

Dates and duration (days)

**If this is your first to visit Oman: what better way to see and experience the sheer grandeur Oman has to offer than by exploring the Hajar Mountains?**

Some of the best riding is to be had traversing the Wadi's, Mountains & Desert and this tour does just that and more!

We visit Jebel Shams, the highest point in Oman and marvel at the sheer immensity that lies before us, before continuing onto to arguably one of the finest Wadi's in Oman, Bani Awf and the village of Balat Sayt to try and appreciate how the local population has managed to survive for centuries. And if you're a little stiff and sore after the ride, we stop by the thermal springs of Rustaq that are renowned for their healing abilities, but be careful it's HOT and has been flowing since time immortal.

While no trip to the Arabian Peninsula & Oman would be complete without visiting the huge expanse of desert that the Wahiba Sands represent, nor would a trip to Oman be complete without visiting the capital of Oman, Muscat, which truly is unique and cannot be easily compared. After 2 nights in Muscat we then head slowly but surely back to Dubai and the finish of the tour.

If you can only stay in Oman for a short period and have an appreciation for different cultures and fine people this tour will certainly provide you with an insight into Oman and what a hidden gem it is!
