Dates and duration (days)

This new motorcycle tour starts and ends in Cape Town. An outstanding highlight is guaranteed to be the stay in a game reserve.

On two days you will experience the unique wildlife of South Africa in all its facets and fascination! The overnight stay on a wine estate and the wine tasting there also make this tour special. It also coincides perfectly with the whale migration off Hermanus, so you can watch the mighty animals at play off the coast.

You will start the tour in Cape Town, visit Table Mountain and ride the Peninsula Route, Chapman's Peak and Clarence Drive along beautiful coastal roads. You will visit Cape Agulhas, the southernmost point of Africa, and experience the whales playing close to the coast in Hermanus - goosebumps guaranteed! We ride breathtaking mountain passes like the Bains Kloof Pass, the Gydo Pass, the Tradouw's and the Garcia Pass. The mountains of the Swartland and Karoo regions will thrill you as will the famous wine regions of Calitzdorp, Swellendam and Franschhoek. Not only will we spend the night on a wine estate, if you like you can take the unique wine tram to various wine estates and taste different wines. Or take a look at one of the trendy craft beer breweries, should you not be a "wine tooth".

The motorcycle tour "Wildlife, Wine & Whales" ends in Cape Town, from where you return home with countless fantastic memories in your luggage!
