7 days

This 7-day tour is like a firework of experiences! Whether wild curves through ancient rainforests or gently rolling coastal roads, whether lonely beaches or lively surf towns, this tour through the south of Queensland offers fascinating day after day, almost kilometer after kilometer.

You will start and end the tour in Brisbane, the capital of the state of Queensland. A city that ranks among the top 15 in terms of quality of life. From here, you'll curve through the spectacular virgin forests of the Glass House Mountains, dotted with waterfalls, to the Sunshine Coast. The rainbow-colored sand dunes around the town of Rainbow Beach or a trip to sandy Fraser Island are just as impressive as getting up close and personal with the dolphins that appear every morning on the beach at Hervey Bay. From Agnes Water, you can take a day trip to Lady Elliot Island (optional extra day) before you head south again through the wild hinterland. In the Bunya Mountains N.P., you can expect not only exciting curves but also a unique landscape, like the prehistoric Bunya Pines and deep green primeval forests. With a bit of luck, you will also encounter 'locals' like koalas, wallabies, possums, and various colorful bird species. Back on the east coast, the hip surfing life in Byron Bay awaits you, and along the Gold Coast, you ride back to Brisbane.

The following itinerary is only a suggestion! The exact itinerary for your trip will be tailor-made and created according to your ideas!

-

Possible itinerary (changes possible):

Day 1: Arrival in Brisbane

Arrival during the day, city tour. Brisbane fascinates with a very special charm, the city is young and dynamic and the

location on the water contributes to an immediately noticeable feel-good atmosphere.

-

Day 2: From Brisbane to Rainbow Beach, 350 km

In the morning you take over your motorcycle. Then you head north, first making a detour through the winding, deep green hinterland around Lake Wivenhoe before cruising along the Sunshine Coast to Rainbow Beach.

-

Day 3: From Rainbow Beach to Agnes Water, 350 km

You continue north along the coast. If you leave early, you can admire the dolphins coming to the beach every morning at a stop in Hervey Bay. You will pick up your breakfast there... From Agnes Water, you can include a day trip to Lady Elliot Island, the southernmost island of the Great Barrier Reef (optional extra day).

-

Day 4: From Agnes Water to Gayndah, 350 km

It will be curvy today, very curvy! You will ride into the wild hinterland, through the historic rainforests of the Krombit and Bania National Park, and through the Boyne Valley to the small town of Gayndah.

-

Day 5: From Gayndah to Toowoomba, 300 km

Another winding day through deep (rain) forests of the subtropical state of Queensland. In the Bunya Mountains N.P., the mighty Bunya Pines is worth a stop. Or the unique wildlife you will encounter again and again, e.g. colorful bird species, wallabies, or echidnas.

-

Day 6: From Toowoomba to Ballina, 320 km

After the last days inland, the coast awaits you again today. Until there you will enjoy the winding road through the Koorah National Park. When you arrive at the Gold Coast, take a walk along the beautiful white beaches, jump into the

waves of the Pacific Ocean and enjoy the colorful surfers.

-

Day 7: From Ballina to Brisbane, 190 km

Today you ride along the Gold Coast back to Brisbane. In between are hip places like Byron Bay and long, almost empty sandy beaches like Cabarita Bay. It's worth taking the small roads along the coast to enjoy the beautiful beaches, small coastal towns, and remote bays once again. In the early evening, return the motorcycle. If necessary, return/onward flight from Brisbane. Optional additional stops for excursions Rainbow Beach (Fraser Island Option) Agnes Water (Great Barrier Reef Option)
