Would you like to learn how to skillfully and safely control your touring enduro in off-road terrain in an all-women group? Then the "Women only" Enduro training is perfect for you (suitable for beginners and women with Enduro experience).

At our training stations in Wesendorf, you will learn safe motorcycle handling as well as the physics of riding and the sensible use of rider assistance systems. Our experienced and empathetic instructors will explain everything to you in a clear and easy-to-understand manner. Of course, this off-road motorcycle training is also a lot of fun if you are looking to ride your touring enduro through the water or on gravel, scree, or sand through the terrain. Women just wanna have fun!

Our guiding principle also applies to this enduro riding training: Everything is possible - nothing is a must!

This is what awaits you:

Full catering

At breakfast in our Coffee Corner all the participants will get to know each other - well strengthened, you will then go to the terrain. Lunch, snacks, and drinks are included during the entire motorcycle training, of course.

Women only

Many women feel more comfortable in an all-female group because they simply dare to do more. Come and join us in our women-only training sessions!

Enduro terrain

Go wild with your touring enduro in our off-road park. Around 20 realistic experience training stations are at your disposal. The grand finale of the training is the off-road ride in the afternoon. Hard-wired women's power!

Rental bikes

We also provide rental motorcycles for the women enduro training, also lowered and lighter.
