7 days

From your base, an idyllic quinta near Amarante, you will discover the most beautiful places of northern Portugal.

7 days | 6 nights

Your base is located in one of the most beautiful regions of Portugal near the beautiful city of Amarante. This is between Porto (best travel destination 2017 in Europe) and the Alto Douro Vinhateiro wine region (World Heritage Site among countless mountain ranges, rivers, streams and ponds, with spectacular landscapes and breathtaking views).

All tours and activities start from the traditional Quinta. This includes a private Enduro Park with 8 km of trails and 3 levels of difficulty, as well as a workshop, restaurant and refreshing pool.

Every day you start from the Quinta and every day a new track is waiting for you. Among other things, we will visit some megalithic monuments. Discover the breathtaking region on day trips, without luggage and stress. Around 4pm you will return to Portugal and have time to discover the relaxed side of Portugal, of course with good food and local wine.
