10 Days of motorcycling. The tour takes you to the most picturesque and beautiful places in Portugal. The tour starts and ends in Porto. On the tour you will visit all the important Portuguese regions, places and monuments.

Itinerary:

The journey begins in Porto and takes you first over mountain roads through the Gerês National Park and the breathtaking landscape of the oldest wine-growing region in the world, the Douro Wine Valley, with wine tastings and a visit to a quinta, a winery.

On the way to the Serra da Estrela mountains, we visit a series of castles and historic villages in eastern, wild Portugal.

The Alentejo has a very good gastronomy and is also known for its mild wines and olive oils as well as for its Roman monuments.

We then reach the southwest coast of Portugal and ride through the Algarve, known for its famous beaches.

Lisbon, the capital of Portugal, is definitely worth a stopover and will be the starting point for the section along the mid-west coast, which will take us to Cascais, Sintra, Óbidos, Nazaré, Aveiro and back to Porto.

We will take a day break in the big cities and special places so you can enjoy them to the fullest.
