6 Days riding through Portugal. The tour takes you to the most beautiful places in Portugal. You start and end in Porto and visit all the important Portuguese regions, places and monuments.

The journey starts in Porto and leads first over mountain roads through the Gerês National Park and the breathtaking landscape of the oldest wine growing region in the world, the Douro Wine Valley. A visit to a quinta, a winery, and a wine tasting are also included.

On the way to the Serra da Estrela mountains, we visit a series of castles in the eastern wilderness of Portugal and historic villages.

The Alentejo region has a very good gastronomy and is also known for its mild wines and olive oils, as well as for its Roman monuments.

We then reach the southwest coast of Portugal and ride through the Algarve, known for its famous beaches.

Lisbon, the capital of Portugal, is worth a stopover and will be the starting point for the section along the mid-west coast that will take us to Cascais, Sintra, Óbidos, Nazaré, Aveiro and back to Porto.

We will take a day break in the big cities and special places so you can enjoy them to the fullest.
