from €399.00

Dates and duration (days)

On request

3 days

Our certified tour guide and trained motorcycle riding safety trainer will lead you on 2-day tours on winding and little-used secondary roads through the wonderful low mountain range landscapes of Taunus and Vogelsberg.

Due to the small group size of a maximum of 6 participants, the tour guide has the opportunity to address your individual questions.

Highlights

Tour with a professional and get to know his region; Taunus, Vogelsberg, Lahn, and Rhine Valley

Arrival day/ Meeting point base hotel in Schmitten at 6 p.m.
Individual arrival:

Individual arrival to the hotel. The arrival of all participants at the hotel is by 6 pm (details will be sent with the booking confirmation), dinner together, and then get informed of the tours and the planned schedule. Start on the following days at 9:00 am from the hotel.

1st tour day/ 9.00 a.m./ Vogelsberg tour/ castles, palaces, classic road race course
Optionally, we start the day with a twist and turn training session on a remote side road in the Taunus Mountains. Afterward, we ride a few kilometers through the picturesque Weiltal valley as well as the Wetzbach and Solmstal valleys. On the way, we have a magnificent view of Braunfels Castle. In Butzbach we will have a lunch break at the marketplace with its beautiful half-timbered ensemble. We continue through the Wetterau towards the Vogelsberg. We pass Münzenberg Castle and take a lap on the classic Schottenring road racing circuit. At the popular motorcycle meeting place Falltorhaus we take a coffee break before returning to the hotel via wonderfully winding back roads through the Taunus.

2nd tour day/ 9.00 a.m./ West tour/ Aar, Rhine and Wisper valley

Today we want to ride ourselves dizzy again, Aar-, Rhine- and Wispertal are on the program. This promises curves for every taste. On our route, we stop at Burgschwalbach with a great view of the castle and over the Taunus as well as in the Rheinberge above St. Goar with a wonderful view of the Rhine valley. The winding route through the Wispertal is one of the most attractive motorcycle routes in the Taunus, a pleasure for us motorcyclists, and one of the highlights of the 2nd tour day.

On the evening of the final day - an individual journey home:

The two-day tour of Taunus ends in the evening of the 2nd tour day at the base hotel. Participants depart individually or stay an extra night at the hotel and travel home the next day rested and happy from an eventful tour.
