You are welcomed at the airport in Málaga and transferred to the comfy tour hotel.

Day 1 - Through the curves of the Alpujarras to Nerja

After picking up your motorbike in the morning, you will

head quickly east along a beautiful coastal road along the Mediterranean Sea. Along the way you cross small villages, coastal cliffs with panoramic views over the sea and small cafés on the beach, that invite you to relax and enjoy a cup of coffee in the breeze.

Afterwards, your route will take you further into the Alpujarras - such a great variety of scenic extremes is rarely found elsewhere: Snow at an altitude of 3,400 m in the Sierra Nevada, a sea of blooming almond trees in spring, large vineyards and fields on the southern slopes and in the plains, and again and again the magnificent view of the deep blue Mediterranean Sea. The curves of this spectacular landscape take you back to the coast and to the Parador of Nerja, which is located directly by the sea.

Stage destination: Nerja

Distance: 225 km

Highlights: Mediterranean coast, Alpujarra, Bodega 4 Vientos, Nerja.

Day 2 - Discover Sierra Nevada and the Alpujarra mountains

The fresh sea air in the morning gives you energy for the curves ahead, which take you up to the white villages of the snow-covered Sierra Nevada. The origin of these villages dates back to the time of the Moors, who occupied Andalusia between the 8th and 15th centuries. The old walls and small streets of the old towns will fascinate you. You also have the opportunity to visit Trevéz - the highest municipality in Spain and famous for its Serrano ham.

Small winding roads lined with olive groves and pine trees will bring you back to the coast and Nerja.

Stage destination: Nerja

Distance: 260 km

Highlights: White villages, Sierra Nevada, Sierra Alpujarras

Day 3 - Costa Tropical and perfect riding

From Nerja, your route takes you into the Sierra Tejeda, past cherimoya and avocado trees of to a twisting road known among the locals as „Carretera de la cabra" (goat path). Off the road, you'll admire scenic contrasts between softly rolling green hills and craggy stone masses reminiscent of the Pyrenees mountains. Before you return to Málaga, your route will take you to the MÓntes de Málaga Nature Park, which offers you countless curves and panoramic views of the Mediterranean Sea and the surrounding mountains.

Stage destination: Málaga

Distance: 225 km

Highlights: Sierra Tejeda, "Carretera de la cabra - the goat trail", MÓntes de Málaga

*If you are already accommodated locally, or your flight departs late enough (in the afternoon from 17.00), you can remove today's lodging from the included services during the booking process.
