Enduro hiking tour if required incl. basic training on our own training ground (suitable for beginners and advanced)

"Today again a leisurely sightseeing tour, please!... I'm too old for this hard enduro stuff...A bit of beautiful views, delicious food and moped tour, that would be it..."

We say, "Come with us - we'll do a great enduro hiking tour of Andalusia!"

Andalusia not only offers the perfect terrain for hard enduro, but also has plenty to offer the leisurely sightseer who wants to enjoy the views and stop roughing it. For this reason, we have developed tours that will take you to the most remote places. On which you can have a little off-road adventure, but not completely exhaust yourself. On the way we stop at nice little bars or pubs to also get in touch with the local people, experience the Spanish flair and fortify ourselves with culinary delights.
