**It's no surprise that KTM have already run the Adventure Rally and BMW the GS Trophy in New Zealand - the small country in the South Pacific is undoubtedly a paradise for gravel fans, with countless off-road routes leading through a spectacularly diverse landscape.**

Also in the course of the partial version of the NZ Adventure Tour you ride on small tracks and gravel roads through impressive volcanic areas, along kilometer-long beaches and to the most remote dream bays, through deep primeval forest and over extensive farmland.

90-Mile Beach, Motu Road, Forgotten World Highway or Molesworth Station.... you will also ride breathtaking "off-the-beaten-track" routes in the course of the 17-day off-road tour!

The unique top highlight of the trip is waiting for you right at the beginning: an off-road training with Chris Birch! We were able to win the KTM Adventure Ambassador, KTM rider of the Paris-Dakar and professional off-road trainer for an exclusive coaching! Chris will train off-road riding techniques with you on his training ground and take you on a tour through the deep forests of the Coromandel - so that you can try out the newly learned tricks and tricks right away.

At least one off-road-experienced tour guide accompanies the small group on the motorcycle, while an escort vehicle transports the luggage and you can enjoy the full riding fun with a light motorcycle. As a true New Zealander and enthusiastic gravel rider, your guide naturally knows the best on & off-road routes in the country. In the evening, you can end the riding-intensive, eventful days in a cozy round in great accommodations.

The partial version of the NZ Adventure Tour leads in 13 riding days over the North Island and over the northern tip of the South Island, before it ends in Christchurch.

Tour itinerary (subject to change):

Day 1: Flight from D/A/CH/BeNeLux to Auckland. (not included)

Flight from D/CH/A (not included, we will be happy to book it for you as a separate travel service)

Day 2: Flight day due to time difference

Day 3: Arrival in Auckland

After arrival at the airport and immigration formalities, transfer to the hotel. In the afternoon first meeting of the group. Afterwards dinner together.

Day 4: From Auckland to Paihia, 360 km

In the morning we pick up our motorcycle and head north. In Whangarei we turn onto the first gravel passages through the hinterland. After a short ferry crossing we reach the coastal town of Paihia.

Day 5: From Paihia via Cape Reinga to Ahipara; 330 km

Today's destination is the northernmost point of New Zealand, Cape Reinga. And the famous 90-Mile Beach! 60km we ride along the beach southwards again. With this guaranteed impressive experience we let the day end.

Day 6: From Ahipara to Whangaparaoa, 280 km

We zigzag over small gravel roads to Hokianga Harbour, then we ride through the Kauri Forest, home of the mighty "Tane Mahuta". After that there are some curvy gravel roads ahead.

Day 7: From Whangaparaoa to Thames, 160 km

The ride to Thames is under "warm up" for a unique event: an off-road training with Chris Birch, KTM Ambassador & Paris-Dakar rider! He has valuable tips, tricks and practical

assistance ready for everyone, regardless of ability and off-road experience. After the exclusive coaching on his training ground, off-roading will be even more fun - guaranteed!

**Day 8: From Thames to Whangamata, 290**

Today we ride the narrow gravel road along the coast to Port Jackson, then south along the east coast via Hot Water Beach to Whangamata.

**Day 9: From Whangamata to Rotorua, 250 km**

The route takes us via Waihi to Mt Maunganui and Tauranga before arriving in Rotorua in the early afternoon. There is time to visit the geothermal area "Te Pania" with geysers as well as bubbling mud holes and/or a Maori marae.

**Day 10: From Rotorua to Gisborne, 290 km**

Motu Road ... the name alone will make all New Zealand's gravel fans beam! This fun-filled gravel road was part of the World Champions Rally and is one of the most challenging off-road tracks in the country. On the way to Gisborne are Motu and Rere Falls.

**Day 11: From Gisborne to Taupo, 330km**

From Wairoa we take the backroad through Te Urewera Park, past Lake Waikaremoana - to meet civilization again 120 twisty gravel kilometers later. Lake Taupo is our destination for the day.

**Day 12: From Taupo to Stratford, 280 km**

We pass the volcanic region of Mt. Tongariro and romp along the spectacularly winding "Forgotten World Highway" before reaching Mt. Taranaki. Of course we stop in the "Republic of Whangamomona".

**Day 13: From Stratford to Wellington, 330 km**

Today we ride rather leisurely along the west coast southwards to Wellington, "stretching" is the order of the day. The capital of New Zealand is also home to the Te Papa National Museum, which is well worth seeing.

**Day 14: From Wellington to Hanmer Springs, 260 km + Ferry**

We say goodbye to the North Island, the ferry takes us to the South Island. Here we first romp on the spectacular Queen Charlotte Drive. We refuel motorcycles and riders before we start the ride to Molesworth Station. The typical High Country scenery, the vast expanse of New Zealand's largest farm, exclusively accessible off-road via countless bends, is simply breathtaking! In Hanmer Springs you can relax in the hot pools - the topic of conversation of the evening is clear... Today ends the joint part of the complete tour & the short version of the NZ Adventure Tour.

**Day 15: From Hanmer Springs to Christchurch, 180 km**

Today it's goodbye to the group and the gravel roads. You ride south along the east coast to Christchurch. Here you drop off the bike and the van takes your luggage to the rental station or your last hotel.

**Day 16: Departure from Christchurch**

Depending on your departure time, you can still stroll through Christchurch.

**Day 17: Arrival in D/A/Ch/BeNeLux**
