**The unique, wildly romantic cultural landscape of the Rhoen is characterized by countless unwooded hilltops with unique distant views, lovely valleys, moors and unique flora and fauna.**

The motorcycle tour winds its way along the Hochrhoen ring, the Hochrhoen track and parts of the western Thuringian Forest, among other routes. Scenic, winding and motorcycle friendly, it goes over selected roads also over the Wasserkuppe. In the distance you can already see the Kreuzberg, the holy mountain of the Franconians.
