**This tour impresses with its remote and winding route, mostly on roads surrounded by nature.**

We start from Eisenach in the direction of Osthessen, ride through densely wooded forests, over several elevations with partly wide views. Wonderful, little-traveled roads invite you to extensive "biking".

Picturesque landscapes, small villages with half-timbered houses and alternating nature give each other the hand here. Partly along the German Fairy Tale Road and the German Half-Timbered Road, the route offers sights worth seeing at any time. Characterized by winding side roads, this insider tour is a one of a kind experience.
