Itinerary:

Day 1: Welcome to Bulgaria

After your arrival at Sofia airport, we will bring you to the SPA capital of Bulgaria, Velingrad. It is covered by hot mineral springs and the city boosts SPA tourism, so besides of getting the maximum out of your body during the riding days, you have many options to relax in the evenings, too. As with all our Bulgaria enduro tours, you can of course use the SPA facilities of the hotel.

Day 2 - 4: Ready for this adventure?

We start our days by enjoying a rich breakfast before getting ready to start our enduro riding adventure at 9 o'clock each morning. We will hit the tracks directly from the hotel's door and you'll be immersed in the wild nature right after the start. As usual, our guides will choose the best tracks, considering each group's skill level. In this amazing region of Bulgaria, you can be sure that you will have nearly unlimited options to find exactly the terrain and degree of difficulty that you are looking for. This mainly includes single trails, forest paths and fast race trails used for the enduro races organized in this region. In the middle of the day, we will have delicious lunches in places like a mountain hut or a fish farm to refuel our bodies. In the second part of each riding day, totally different tracks than the once we came from will lead us back to our hotel. And thanks to the incredible amount of options in the area, you

can expect three days of intense riding along everchanging, exciting trails.

Day 5: Departure day

Today, we will hand you out a little present to keep us in mind before bringing you back to Sofia Airport at the right time.
