After a nice breakfast, you must get ready to start at 9 o'clock. First, we will always ride to the nearby petrol station. Once this is done, we will follow the tracks to the city of Koprivshtica, which is one of the most famous touristic places in Bulgaria. We will take Lunch in a local tavern, established 3 centuries ago. On the next day's rides, we will follow different directions, the city of Starosel, Hissariy will be one of our targets for example. Our guides will always take care of your riding level to offer tracks that fit your needs. Expect 3 riding days with pure fun.

Day 5: Relax day

You're a little tired, so it's good that we have a day off so you can relax, there are plenty of opportunities for complete relaxation here.
