South Africa XXL Adventure from Kruger National Park to Cape Town - Motorcycle Tour. Join us for a classic motorcycle tour through one of the most beautiful parts of the black continent to South Africa.

Winter in Europe is the season there, enjoy the summer on the other side of the equator, while the cold season is at home. The Kruger National Park with safari, Blyde River Canyon, Swaziland, the Kwa-Zulu Natal, the World Heritage Site Santa Lucia, the Drakensberg, Lesotho, the Transkei, the Eastern and Western Cape, the Valley of Desolation, Route 62, the Winelands, Cape Town and the Cape of Good Hope are the highlights here. We ride this guided tour with one of our connoisseurs as a travel companion and on one of the most iconic motorcycle brands of all - "Harley-Davidson®".

We have prepared a well-planned tour for you, which includes a good number of kilometers of motorcycling every day, but also includes some sightseeing on the outskirts. The motorcycles for our guided tours are mostly from the Harley-Davidson® authorized rentals™ program. This means we have an excellent selection of the latest models with few miles, all of which are well prepared for you. As a further advantage, the whole tour is accompanied by a van. Here, the necessary luggage is stored during the tour and, depending on space availability, accompanying persons can also ride in the van - for you, this means pure motorcycling!

Other highlights of this panoramic tour are the viewpoints at Bourke's Luck Potholes and God's Window. After returning to the hotel,

the first meeting with your motorcycle guides will take place for the tour briefing. Overnight stay in the Hazyview/White River area

-

In the morning you will be transferred to our local HarleyDavidson® rental partner or pick up your bikes at the hotel and after completing the formalities, you will take over your motorcycles. The route takes you today to the northern border of the Kingdom of Eswatini or also known as Swaziland, which lies like an island within the South African state. This small kingdom is known for its wild landscape and traditional festivals that reflect the Swazi culture. In the afternoon, continue south to reach the capital city of Mbabane and tonight's overnight stop in this region.

-

Day 06: Swaziland - Swazi Candles - St. Lucia, 370 km

Today you will continue through the south of Swaziland, where wide sugar cane plantations accompany you on the way. Here the beautiful Swazi candles are handmade, these decorative unique pieces, show animals and the African culture, which you can admire during a stop in one of the small factories. You will leave Swaziland through a small game reserve and South Africa awaits you with St. Lucia, a UNESCO World Heritage Site. This unique wetland at the mouth of the Indian Ocean is home to hundreds of crocodiles, hippos and unique bird species.

-

Day 07: St. Lucia - Crocodiles & Hippos

OUR EVENING TIP: Wildlife Sunset Safari

-

Day 08: KwaZulu-Natal - Drakensberg, 460 km

After breakfast, the tour takes you to the KwaZulu Natal province. Through unique landscapes, lined with small villages, endless sugar cane plantations, forest landscapes and over beautiful curvy roads, you will reach the foot of the Drakensberg Mountains, which are over 3000 meters high. These can be seen from afar and offer plenty of recreational activities. Good restaurants, wineries and local products make up the Natal Midlands. There will be two overnight stays at the Sani Pass, in the Drakensberg region.

-

Day 09: Drakensberg - Rest Day - Sani Pass & Kingdom of Lesotho

Today is a rest day at your leisure. The hotel offers a pool, spa, and also a round of golf is possible. For the more adventurous among you, there is the possibility to

participate in an optional 4x4 tour with a local guide to the Drakensberg Mountains. These mountains border the African kingdom of Lesotho. Wide farmland alternates with small villages. This bridging stage will take you to Queenstown, which is a local center of this region. Overnight stay in Queenstown.

-

Day 11: Klein Karoo - Graaff Reinet - Valley of Desolation, 310 km

Today your tour leads you through the Klein Karoo region to the next highlight. The old town of Graaff Reinet, with its over 200 listed buildings, is one of the best-preserved historic sites in the country. With a bit of luck, you will see some of the numerous blue monkeys and antelopes on the way. Before the lunch break, we will ride over the narrow and winding road, into the Valley of Desolation National Park. After a short walk, you will have a fantastic view of the village, the valley, and the Karoo. In time for lunch, you will arrive at your centrally located hotel. There you can relax by the pool or take a walk around this beautiful town. Overnight stay in Graaff Reinet.

-

Day 12: Karoo - Oudtshorn - Ostrich Farms, 340 km

Oudtshorn would be just a sleepy little town behind the mountains if it weren't for some large ostrich farms. The old heyday of ostrich farms is now over, but meat and leather production has become profitable again for the local breeders. On an optional visit to one of these farms you will be given an interesting guided tour and an insight into how this unique bird is used today. For dinner, of course, fresh ostrich fillet is on the menu, this paired with one of the good local wines and the evening is perfect. Overnight stay in the Oudtshorn area.

-

Day 13: Route 62 - Port and Whisky - Ronnies Sex Shop - Country Pumpkin, 335 km

This morning, we continue our journey along the famous Route 62, which is comparable to the American Route 66, only a bit smaller, but at least as attractive. It originally served to open up the Klein Karoo. The first stop is the Boplaas Wine Estate with its excellent port wines and local whiskies. On the way, you will of course visit the obligatory biker pubs, like Ronny's Sex Shop or the Country Pumpkin in Barrydale. The owners are of course also all enthusiastic Harley® riders and always look forward to a biker visit. In the afternoon we ride through the valleys around Montagu, the whole region is known for its dry fruit industry and the countless fruit orchards along the way bear witness to this. There are still three beautiful passes before you reach your

hotel for today in the Touwsrivier area.

-

Day 14: Cape Winelands - The 7 Passes Tour, 325 km
In the morning you start with the first beautiful route over the passes in the wine country. After the coffee break in the middle of the wine region, you ride the two winding Baviaanskloof and Du Toitskloof passes and take after your lunch break on a winery, the Franschhoek Pass under your wheels. The Winelands, with famous towns such as Robertson, Paarl, Franschhoek and Stellenbosch, is just an hour's ride from Cape Town. The region is home to the oldest settlements of Europeans on the black continent. The very fertile area is especially known for its agricultural products and, of course, wine. Over some more challenging mountain passes you will reach the heart of the wine country in the early evening. Overnight stay in the Stellenbosch area.

-

Day 15: Cape of Good Hope - Chapman's Peak - Cape Town, 160 km
You leave Stellenbosch and the wine region. From there you ride back to the coast, where you meet the Atlantic Ocean again at Muizenberg. Along the coast, you will reach the Cape of Good Hope and Cape Point. You will continue on the famous scenic road, Chapman's Peak Drive, to the idyllic Hout Bay, which is known for its seal colonies and the white sharks that hunt there on the offshore islands. In time for the lunch break, you will arrive back in Cape Town via Camps Bay, where you will spend the last two days. After dropping off the motorcycles, you will have the afternoon and evening at your leisure. Visit one of the many restaurants on the Victoria & Albert Waterfront. Overnight stay in Cape Town.
