Coast to Coast USA Motorcycle Tour! From coast to coast through the USA: Come with us on this classic motorcycle tour that takes you across the United States of America.

Coast to Coast - from the Atlantic Ocean to the Pacific Coast. Orlando, Daytona Beach, New Orleans, San Antonio, Tombstone, Tucson, San Diego and Los Angeles, the Three Sisters, Big Bend National Park, Roy Bean, Wyatt Earp & Doc Holiday and Highway 1 are the highlights here.

Experience with us a guided tour with one of our USA connoisseurs as a travel companion and the most cult motorcycle brand of all - "Harley-Davidson®". We have prepared a well-planned tour for you, which includes a good number of miles of motorcycling each day, but also includes some sightseeing. The motorcycles for our guided tours come from reputable motorcycle rental companies. Thus, we have an excellent selection of like-new models with few miles, all of which are well prepared for you. As a further advantage, the whole tour is accompanied by a van. Here, the necessary luggage is stored during the tour and, depending on space availability, accompanying persons can also ride in the van - for you, this means pure motorcycling!

An open word between bikers. Depending on the tour we ride between 120 and 540 km per day in charming and beautiful landscape. The approximate daily number of kilometers can be found in the respective daily program. This may mean getting out early and arriving late on a few days. The motorcycle riding in a unique landscape is absolutely in the foreground, so a certain team spirit in the first place is necessary here, as well as certain adaptation to the group. If you lean into it, you will surely experience the adventure of your life and have a lot of fun.

Travel conditions:

The general travel conditions apply. These will be handed over to you by your booking office. If you have not received them, please inform your booking office or the tour operator before booking. They will then be sent to you immediately.

A note on entry (ESTA): The electronic ESTA entry procedure required for the USA has been subject to a fee since 08 September 2010. The fee for this is 21 US\$, payment is possible by credit card and Paypal. We recommend to do this here Official ESTA Application Website, U.S. Customs and Border Protection in German language, because there are many rip-off sites on the net. Please apply for this at least 3 - 4 months in advance, because in case of rejection, it takes some time to apply for a visa.
