7 days enduro riding in the savannah of Georgia

During this 7-day Enduro tour our experienced guides will show you wonderful mountain regions - it goes over hill and dale, through ice-cold mountain streams and high up on the mountain ridges of the Great Caucasus. Our trip will take you on a motorcycle all the way to a savannah landscape, where you can then really let off steam.

Day 1: Welcome to Tbilisi!

After your arrival at Tbilisi airport you will be met by our team and driven to Rustavi. After the arrival of the whole group there will be a first tour and rules meeting, where you will get to know your guide as well as the other tour participants. You will get some necessary documents, information, instructions and route maps before the tour can finally start. After the briefing the whole group will be asked to go to the garage. There you can try on the rental equipment (if necessary) and do a test ride. After the organizational measures we enjoy a dinner together.

Day 2: From Rustavi to Mtskheta

Today we will ride a diverse off-road terrain towards the ancient Georgian capital Mtskheta. On the way we will stop in a typical restaurant of the country.
