### Tour description:

At noon you will land at the international airport in Cape Town and be picked up by us and brought to your hotel. After freshening up and having a small snack, you will discover Cape Town with the other participants and Table Mountain if the weather is good.

The Cape of Good Hope, penguins, the journey to the Tankwa Karoo over the Bainskloof Pass, and many kilometers on the gravel roads are so beloved by Cape Town endurists determine the following days in and near the Cederberg Mountains.

You will get in touch with the famous South African Braai's as well as with the surf of the Atlantic Ocean. The West Coast is waiting for you and the finale of these first 9 fantastic days will show you where the Indian and Atlantic Oceans meet.

Back in the Mother City of Capetown, you will get to know this vibrant city at the southern end of the African continent intensively and discover Robben Island, where Nelson

Mandela spent 26 years in prison, as well as all the other highlights of the city and the wine region.

In Hermanus, with a lot of luck, there is time for whale watching before you get to see a lot of wildlife in the Botlierskoop Game Reserve.

Many kilometers of gravel on the Swartberg Pass, the road into Die Hel, and around the Swartberg Mountains are part of your adventure.

On a farm in Prince Albert, you get to know the people and their traditional cuisine and have the appropriate landscape around you, to relax.

Bavianskloof or the Valley of Desolation (road condition dependent) and the story of Hapoor the Elephant crown the end of this 10-day discovery.
