Picos de Europa Mountains with your own motorcycle incl. motorcycle transport to Porto, flights, hotels and guide! Portugal and Spain - Porto, Parque Natural de Montesinhos, Parque Nacional de Picos de Europa, Parque Natural de las Ubiñas - La Mesa

The motorcycle tour from Porto to the Picos de Europa is an exciting adventure where we will get to know two different countries and cultures in just one tour.

We start the tour in the city of Porto and ride through the most beautiful forests of northern Portugal before crossing the border into Spain and heading towards the unique Picos de Europa mountains.

Once we reach the Picos de Europa, we can admire the unique beauty of the wild mountain landscape. At the end of each day we relax in comfortable hotels and enjoy well-deserved meals and drinks.

As always, our hotels are all hotels we trust and have stayed in many times. They are all comfortable, cozy and in fantastic locations.

The group has between 6 and 12 participants, we always start at 10am in the morning and reach the hotel by 6pm at the latest. The daily riding time is usually between 5 and 6 hours and throughout the day we take many small and 3 larger breaks, for coffee, food or refueling. On each tour there are very curvy and challenging routes that give you the opportunity to improve your riding skills without getting into stress. This is because we pay close attention when riding in the group to safety distances and want that each participant gets his riding fun while swinging in the flow through the curve paradise.
