**Rarely visited by the average traveler, Nevado del Ruiz is considered to be one of the most exotic destinations in Colombia.**

Welcome to the beating, cosmopolitan heart of central Colombia. Medellin is a bustling, modern metropolis that has fast gained a reputation as a "must-see" destination in Latin America.

Nestled in the Aburrá valley, the city is blessed with beautiful weather, known as the "city of eternal spring". It is the perfect base camp for setting out on a motorcycle adventure tour to nearby Guatapé and Rio Claro, or heading further to Salento and the Nevado del Ruiz for some of the most spectacular scenery and riding on the continent.

Rarely visited by the average traveler, Nevado del Ruiz is considered to be one of the most exotic destinations in Colombia. Starting with warm temperatures, and ending next to the snow, this is one of the most biodiverse tours we offer.
