From your base lodge on our APUSENI LODGE Romania you will drive 5 guided day tours and return to the lodge every evening.

Romania is a country with a fascinating history, rich culture and stunning scenery. Romanian culture is characterized by a fascinating mix of Eastern and Western influences. Rich folklore and traditional music are an important part of Romanian identity. Romanian history goes back centuries and is shaped by different peoples and cultures. The country was part of the Roman Empire, the Ottoman Empire and the Habsburg Monarchy. This diverse history is reflected in the architecture, particularly in the medieval castles and churches dotted across the country. In addition to high mountains, Romania also has picturesque valleys, rivers and lakes.

One of the most remarkable landscapes in Romania is the Carpathians. This mighty mountain range covers much of the country and offers spectacular views, pristine forests and diverse wildlife. On our five day tours, which all start from our APUSENI LODGE, we roam the Western Romanian Carpathians, visit ancient caves and buildings steeped in history and enjoy wonderful natural spectacles and magnificent views.

We not only ride a tour with you, we also give you insights into the real Romania. We accompany you through a country in which the largest intact natural and primeval forest areas in the EU outside of Scandinavia and the largest contiguous, largely untouched, mixed beech forests are located and where hospitality, traditions, festivals and folklore play an important role.

Your base lodge is the APUSENI LODGE Romania®. You live in a comfortable holiday home. Our holiday homes have two bedrooms, one with two separate single beds and the

second with a large double bed. The bedroom with a large double bed is occupied by one person only, unless something else is expressly requested (pair occupancy is of course possible). Furthermore, the holiday homes have a living room with a sofa bed, a fully equipped kitchen, a separate bathroom with a shower and a large covered terrace.

By the way, we do not charge for arrival/departure days, but guarantee you a full 5 days of pure Romania and on top of that give you two nights at our APUSENI LODGE Romania! With this top arrangement, we give each participant two nights for free, which is why an additional group discount cannot be granted here.

You will receive detailed information about motorcycling in Romania with the booking confirmation.

Program, accommodation and route changes are reserved.

Daily schedule:

The daily tours start between 09:00 and 09:30 each day. Return to the base lodge is always 17:00 - 18:00.

Tour 1: Monday - Curvy canyon tour approx. 238 km
Like every day, we start from the APUSENI LODGE Romania® and ride through the Apuseni Mountains on winding roads. We'll show you one of our favorite secret canyons and stop at one of the old wooden churches typical of Romania. On no less winding roads we return to

the base.

Tour 2: Tuesday - Fascinating cave tour approx. 179 km
Again from your base lodge, it's a beautiful and little-used road to Peștera Urșilor, a masterpiece of nature and unique in Romania and Europe. We take our time and let this natural phenomenon affect us. On the way back we visit our weekly market in Ștei and you have the opportunity to stock up on all kinds of delicacies.

Tour 3: Wednesday - Medieval fortress tour approx. 230 km
Today the historic Hunedoara Fortress is on our program. It is one of the most attractive fortresses in Europe. The structure has a special charm due to the variety of architectural styles, the presence of military and civilian innovations, and the turbulent court life that enlivened it for over 400 years. Especially for people who are attracted to the Middle Ages, the castle is a unique place in Romania.

Tour 4: Thursday - Picturesque waterfall tour about 320 km
Romania is also a country of lakes and magnificent plateaus. Following our motto, we ride on roads that others ignore, past the most beautiful lakes and over the most impressive high plateaus of the Apuseni Mountains. Our Apuseni Special is designed to take your breath away.

Tour 5: Friday - Cruisy farewell tour approx. 211 km
A relaxed tour along the Mureș gives you the opportunity to say goodbye to this part of Romania. We are convinced that after the impressions you have collected, you will want to see more of our fascinating country and come back and maybe get to know other parts of the country on one of our round trips. If the weather is good, we will say goodbye to the Munții Apuseni in the evening with a Cajun prepared on the campfire.

Travel time per day: approx. 8 hours incl. lunch/coffee breaks and photo stops; since we will be traveling in remote areas for the most part, breaks will be situational. Small breaks can be taken at any time.

Road tires sufficient - tire change: Touring motorcycling is not yet the order of the day in Romania. It is not easy to find a (motorcycle) workshop for a tire change. We therefore recommend all our participants to put on tires with a solid tread groove depth before the trip.

Level of riding experience needed: Suitable for all riding levels, beginners with riding experience

Route profile: Paved roads in good to average condition. The route includes mountain roads with many curves and sometimes narrow sections. There may be short stretches of gravel roads.

Difficulty level: Suitable for all riding levels; beginners and returning riders should have at least one year's riding experience or 10,000 km ridden and have a secure cornering technique. Safe control of the motorcycle required. You must be physically and mentally able to ride 230 demanding km per day.

Good to know:

Individual arrival: The distance to the meeting point in Avram Iancu is very long for you? No problem: We will be happy to help you plan your journey. The way to us: The journey usually takes place via Vienna (Austria). Ride via Győr past Budapest and Szolnok (Hungary) over the border crossing at Borș to Oradea (Romania) and further via Beiuș, Ștei and Vașcău on the DN76/E76 to Vârfurile. At the traffic circle there, turn onto the DN79A and follow the signs "APUSENI LODGE Romania". If you are coming from the north of Germany, it is best to ride via the Czech Republic and Slovakia to Romania. We will be happy to give you individual travel tips.

Refueling: There is a Petrom gas station in Vașcău and a Lukoil gas station in Vârfurile; please fill up your vehicle at one of these gas stations.

Break Food: Since much of our riding is in remote areas, you should always have some food and sufficient beverages with you. Sufficient hydration is essential for longer motorcycle rides.

Passport and visa requirements as well as health and customs regulations: EU citizens may travel to Romania for a period of up to 90 days without a visa. Upon entry, a passport valid for six months, temporary passport, identity card or temporary identity card must be presented. Travel documents must be valid for the entire duration of the stay including the day of departure and three months beyond. It is not possible to leave Romania with an expired travel document.

Road toll: Passenger cars, motor homes and caravans using the Romanian national road network must pay a road toll, which requires the purchase of a vignette (Rovinieta). Motorcycles do not need a Rovinieta.

Important traffic regulations: The blood alcohol limit is 0.0. Speed limits for motorcycles: urban 50 km/h, extra-urban 90 km/h, expressways 100 km/h, highways 130 km/h. Motorcyclists must ride with dipped headlights all year round during the day.

Road condition: Romanian roads can be surprising. There are perfectly paved and well-maintained mountain passes, stretches with perfect asphalt, spotlessly clean village crossings, but also main roads with deep holes.

Local currency: The Romanian local currency is the Lei or RON. We recommend that you carry some local currency with you.

Support: Support in case of emergency can only be guaranteed on the planned route. In case of self-planned route changes or excursions "on your own", the participant is responsible.

Protection and insurance: We recommend for all motorcycle tours a motor vehicle protection insurance, such as the ADAC offers. Health insurance: We recommend for all international motorcycle tours the conclusion of a separate foreign health insurance with medical repatriation. We recommend for all our motorcycle tours the conclusion of a travel cancellation / travel interruption insurance.

Shoes: We ask you to take off your heavy motorcycle boots and street shoes before entering the cottage; the floor and our cleaners thank you.

We ride in (almost) any weather.

Language: This offer is usually suitable for German, English and/or French speaking participants; however, we also speak Romanian, Old German, Swiss German, Luxembourgish, Flemish and some Spanish. We will be happy to give you binding information upon request.
